What is this type of Insurance?

This cover is an indemnity-based, all risks style policy. The policy will reimburse you (the policy holder) for costs incurred and/or irrecoverable expenses should certain problems arise.

The policy looks to offer cover for an allocated number of events over the course of a 12-month period to use as required. It can cover those who are both organising and attending events in various combinations; but is designed to cover those organising upwards of three or four events per year.

Each event can last up to 3 consecutive days as standard. Individual events can be extended with covers being purchased individually and **Cancellation cover** can be purchased on a per event basis if required.
